

We are Chassidim of the Rebbe. We learn what the Rebbe said and do what he taught us.

Every word that the Rebbe said is true.

The Rebbe is leading us and the whole world to Moshiach.

The Rebbe told us that when we say "Yechi Hamelech" we give life to the king Moshiach.

It means that we have reached the time when we will have techiyas hameisim with Moshiach.

That is why now we say together "Ad Mosai" how long do we need to stay in golus?

"Yechi Hamelech" Moshiach should have life and bring us out of golus now

יחי אדונינו מורינו ורבינו מלך המשיח לעולם ועד
